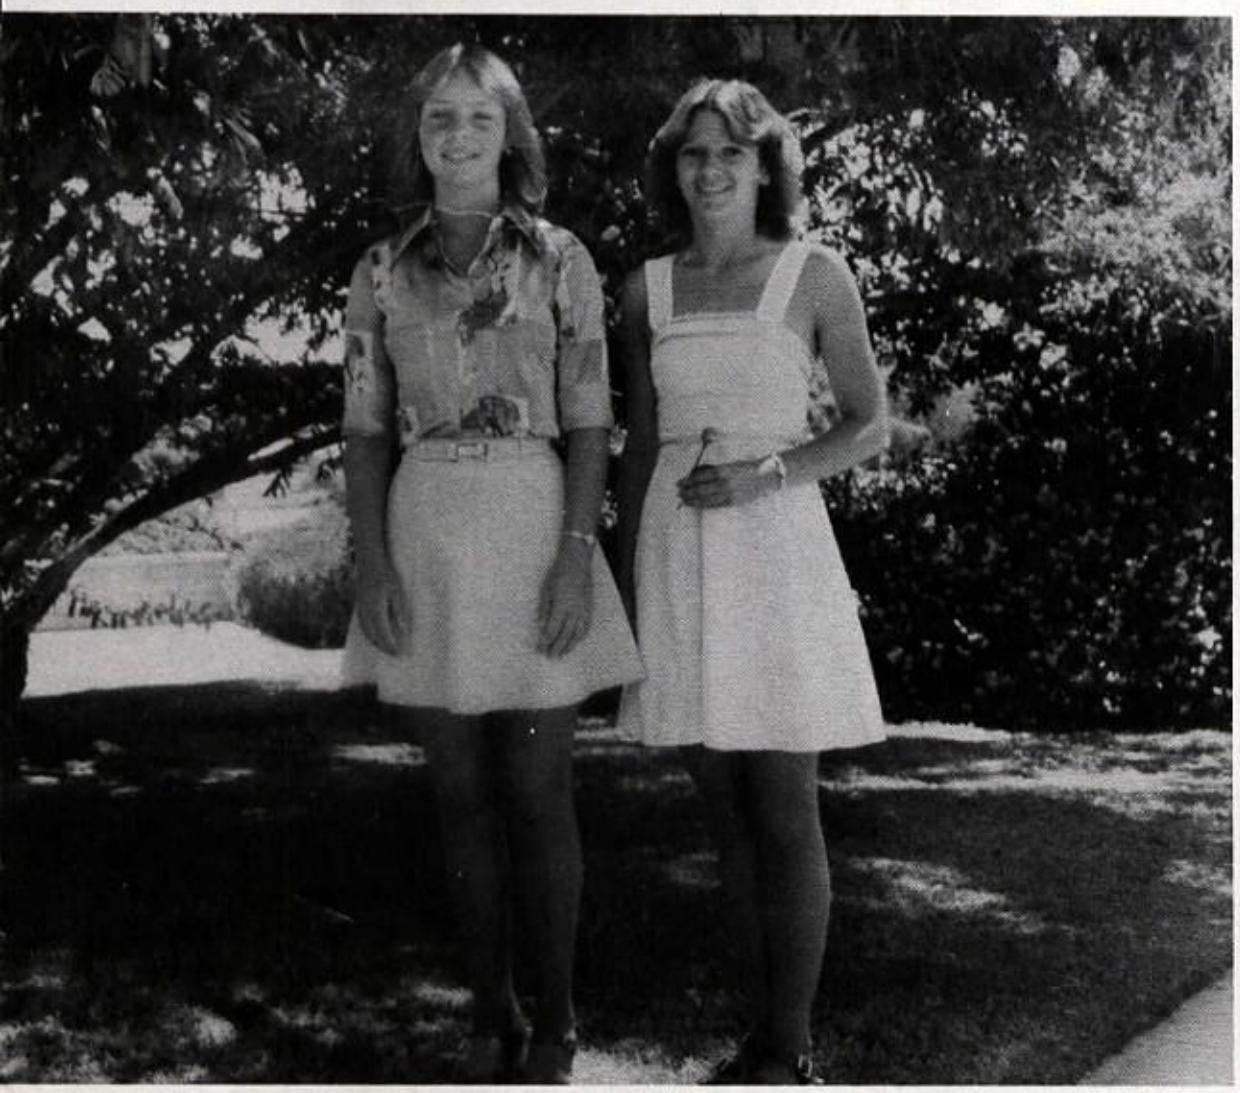
1977 PORCUPINE SUPPLEMENT VOL. 67

Cinco de Mayo and Track Queens

Presiding over the 1977 Cinco de Mayo festivities was Queen Kathy Gomez, sponsored by MAYO (Mexican-American Youth Organization). She was crowned during RHS noontime celebration of Mexico's Independence from French domination.

The main duty of track queens Kendra Bradley, Barbara Dueck, and Cindy Ferre was to present awards and medals to winners at the 35th annual Reedley Invitational Track Meet held on April 30.



Dream Girl

The climax of an eventful Spring Week came at the Friday night Dream Girl coronation dance when Reedley High's Dream Girl was honored. Christine Reimer, the band's candidate, received this prestigious position for 1977. Chris was selected after a panel of judges evaluated her on poise, appearance, and personality. Her attendants included Ann Laemmlen, CSF; Linda Hamburger, Entre Nous; Rebecca Montenegro, Block R; and Alisa Minor, French Club.

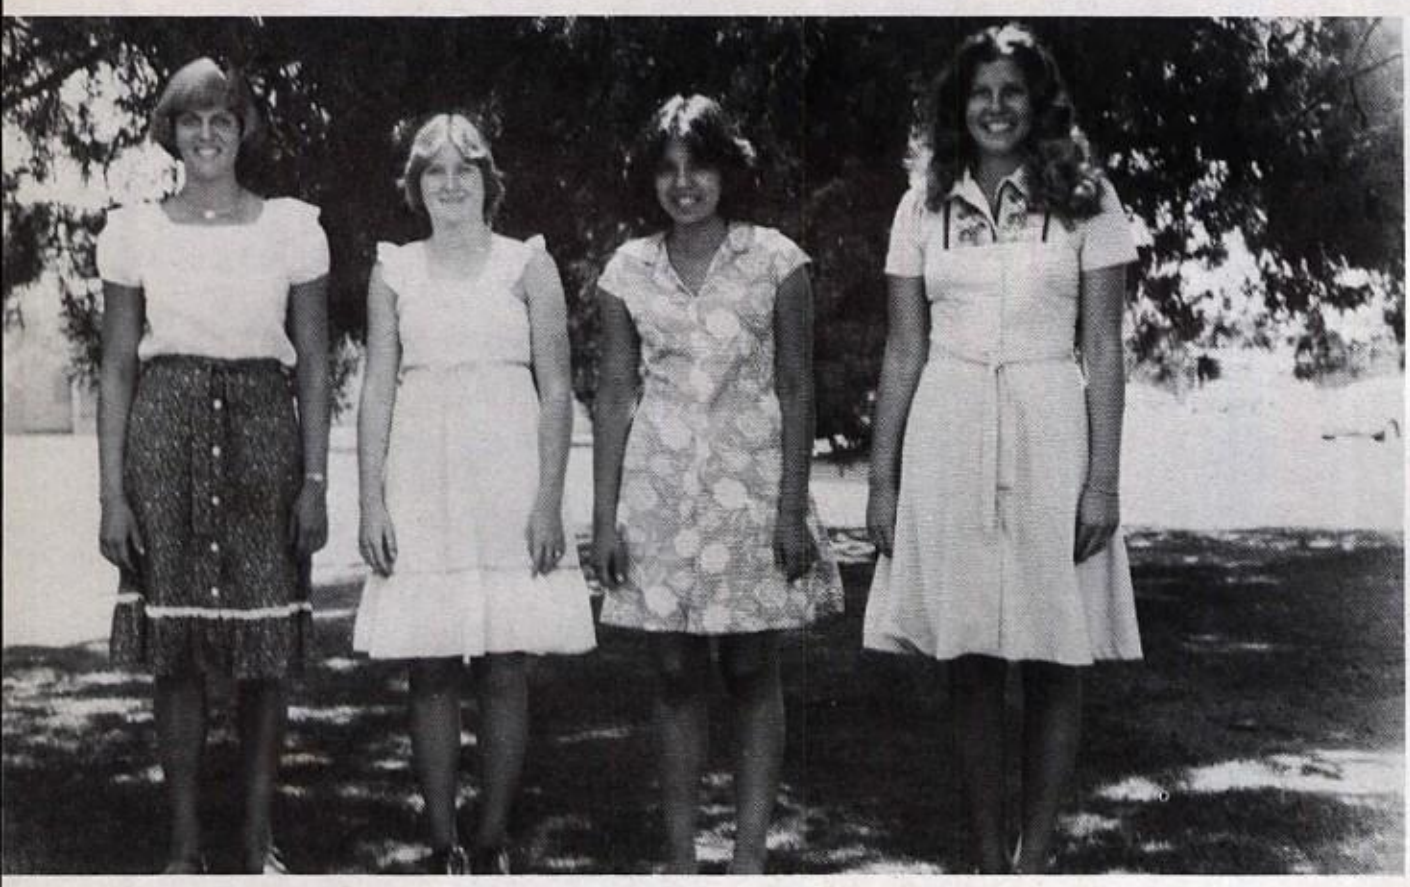
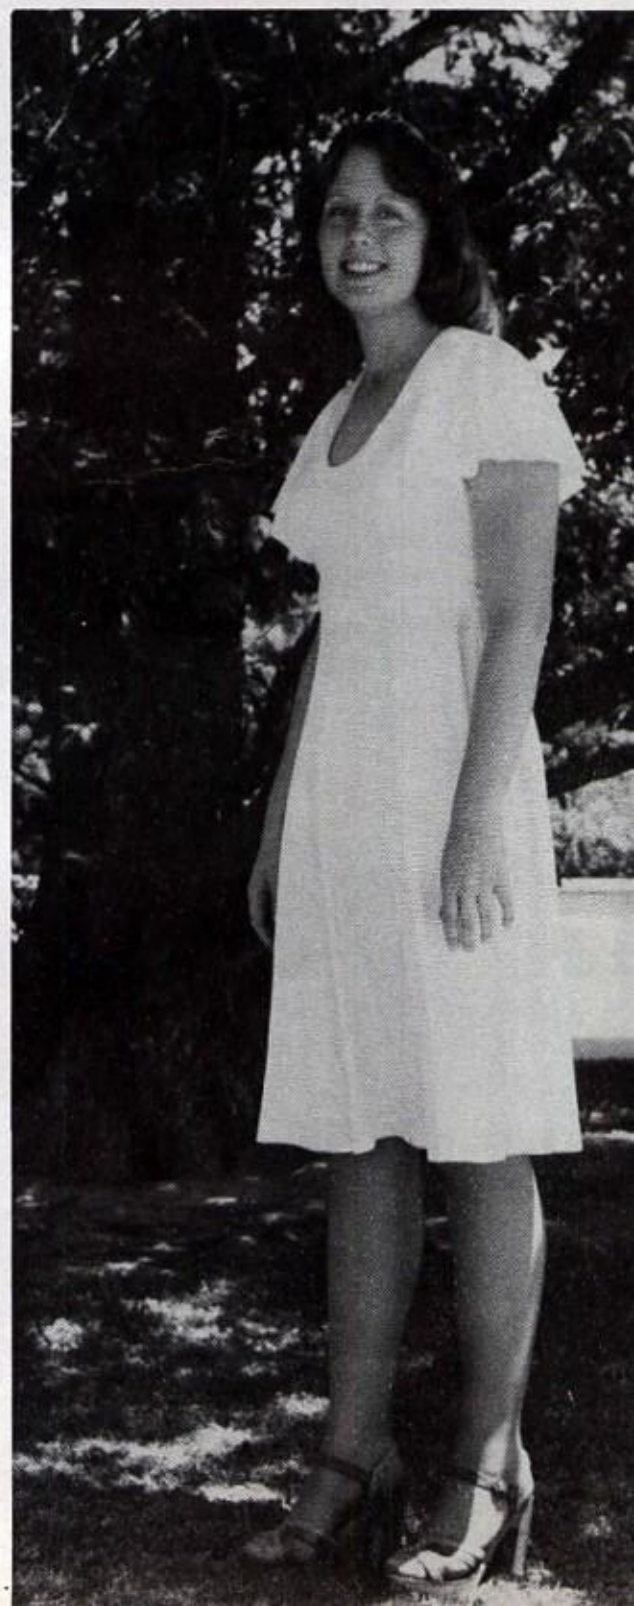
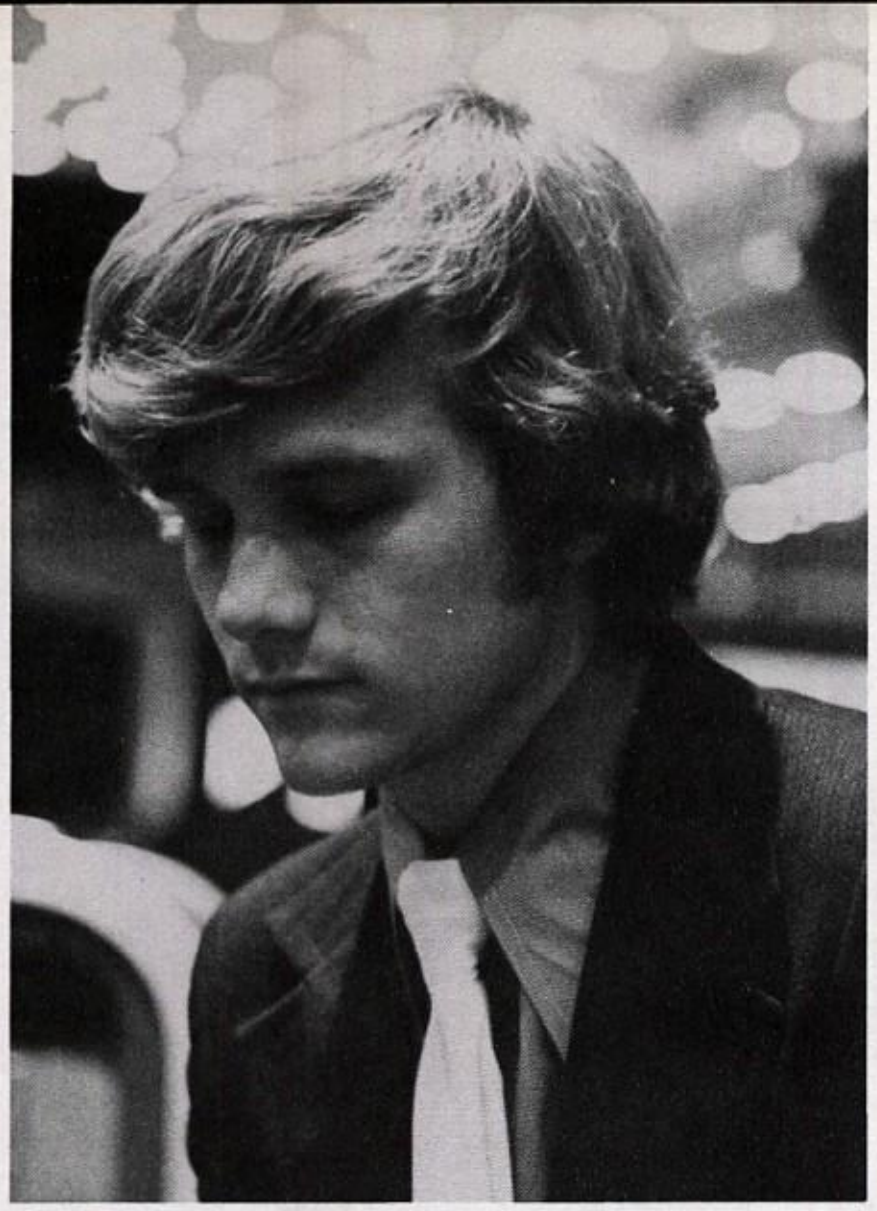
BELOW RIGHT: Dream Girl Christine Reimer.
BELOW: Dream Girl Runnerups: LtoR; Ann Laemmlen, 1st runner-up; Linda Hamburger, 2nd runner-up; Rebecca Montenegro, 3rd runner-up; Alisa Minor, 4th runner-up.



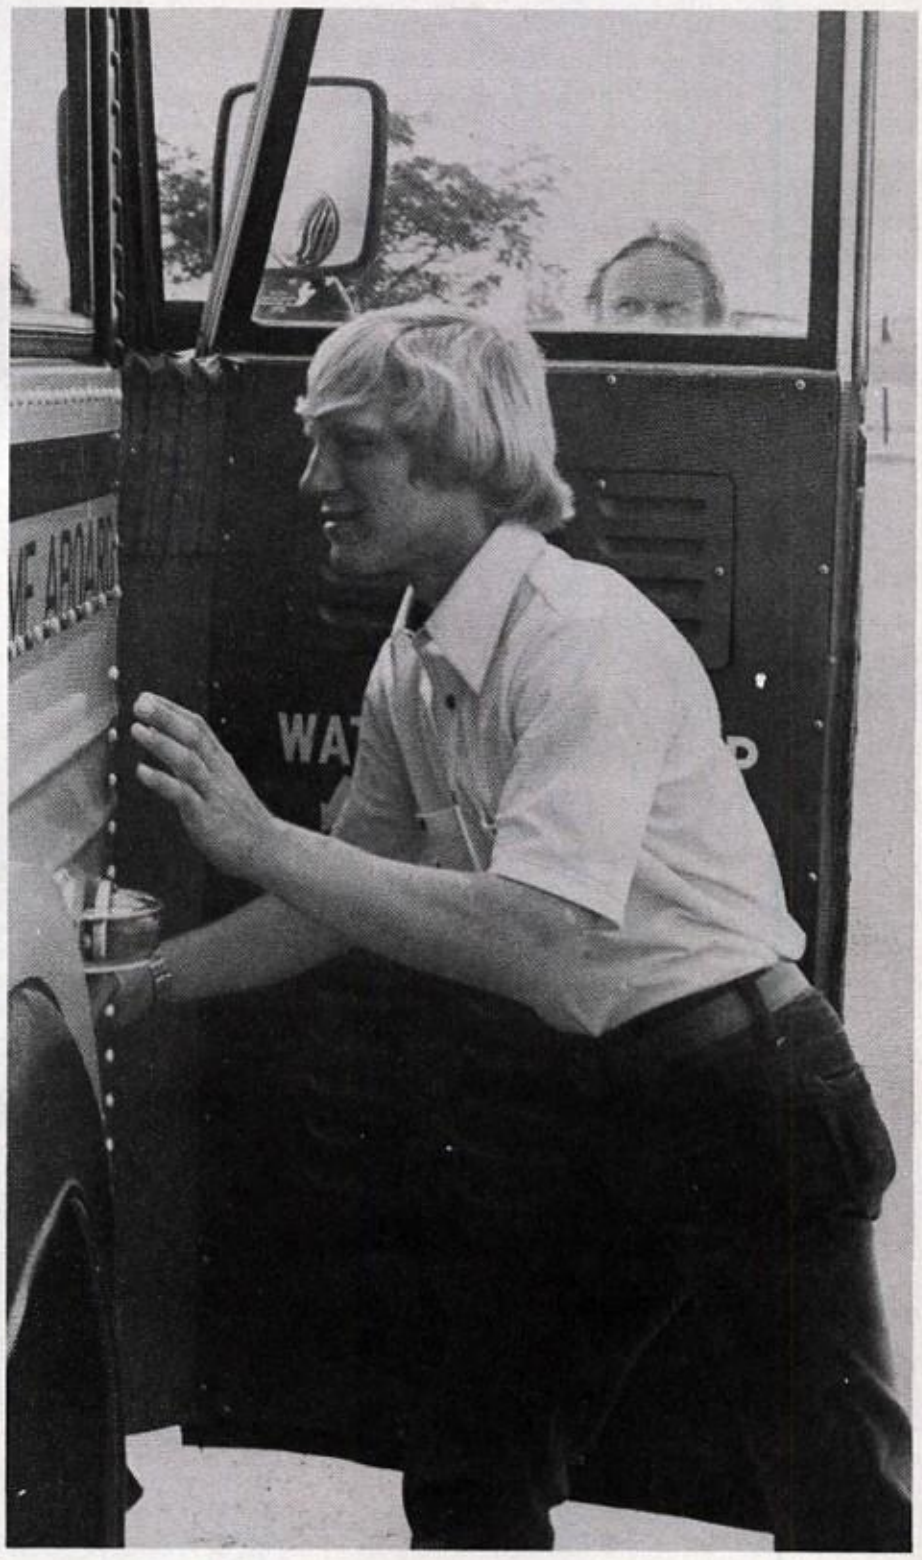




Grad Nite '77

Ask any member of the Class of 1977 who journeyed to Disneyland on June 10 to describe Grad-Night in one word and they'll say, "That's impossible". Because the Grad-Night experience is one which no one could describe. Hurrying to get to the buses on time, waiting an hour for the buses to leave, surviving the high-spirited ride down, arriving at Disneyland, and sleeping through the somewhat quieter ride back home—the entire adventure was one that had to be experienced firsthand.

LEFT: "That meatball was hard to swallow" says David McAvoy.
BELOW: "Maybe I can sneak aboard when they're not looking," thinks Martin Dueck.
BELOW LEFT: JoAnne Tsuji displays one of many souvenirs brought to Reedley by the Class of '77.



Spring Week

Chris Reimer was crowned as the RHS Dram girl for 1977 at the annual spring week festivities. At the Friday night Dream Girl dance, sponsored by pep squad, Spring Day cuties were also announced.

Activities for this Inter Club Council sponsored week included a Sweat Hog Day on Monday, with flowers also going to teachers from "pet" students on this first day of Spring Week. On Tuesday, students kicked off their shoes and kicked their heels at a noon sock hop in the gym. Wednesday saw fans of the rock group "Kiss" donning make-up in order to appear as their favorite member of the group. Spanish club held a cake walk on their favorite member of the group. Spanish club held a cake walk on Thursday noon in the Quad. On Friday, Entre Nous sponsored "Carnation Day", with carnations going out to that special someone. Friday, the official Spring Day, saw RHS students dressing up in their most colorful outfits.

Hi-Jinx

This year's Hi-Jinx was an interesting combination of talent and hard work, together with one or two particularly "fowl" acts. With the format of the "Gong Show", awards were given to Patty Brooks for her rendition of Joni Mitchell's "For the Roses" and her original "Break Away". Second place went to the Henhouse Five plus Two for their jazzy interpretation of "In the Mood".

Graduation

Twelve years of study and work was finalized at the graduation ceremony held June 9 at the Reedley College Gymnasium. Because of sudden rain again this year, the ceremonies were forced inside. There were very few seniors with dry eyes as tearful goodbyes were said and promises to keep in touch were made. Though the 300 plus members of the class of 1977 will go in many directions down the path of life, they will all share the common memory of friendships, good times, and hard work that they experienced at Reedley High School.

Math Team

Although terms like Mad-Hatting, and Leapfrogging no longer apply, the Math Team is still going strong at the RHS campus. Advised by Mr. Henvit, Mr. Friesen, and Mr. Siebert, the "Math Marvels" competed in the Central Valley Mathematic Field Day this year, placing second in the team competition with the highest score of any team from the Valley. Jeff Sunamoto received second high individual award.

Special Awards

Several athletes were honored with positions on All-League teams or County All-Star teams. Others competed in league finals in their sport, and in several advanced to Valley competition.

A strong sense of dedication brought these athletes to this high level of achievement. Reedley High is proud to recognize their achievements.

Prom Nite '77: "Ours to Remember"

The night to remember for Junior and Senior couples was May 27 when the Prom was held at the Hilton Hotel in Fresno. Prom Committee co-chairpersons Joanne Tsuji and Connie Willeford and their band of enthusiastic workers labored for months to get invitations, programs, reservations, and decorations in order for the special night. Couples ate a delicious dinner served by the hotel staff, then danced to the music of Touch or enjoyed the evening breezes on the terrace.

Scholarships and Awards

Students receiving special recognition for scholastic achievement were honored on May 24 at Scholarship Awards Night. Mr. Al Hill, head counselor, informed those present that more scholarships were presented to this year's graduating class than in any other class at Reedley High School. Over $60,000 in scholarships were presented to graduates during the ceremony.

REEDLEY

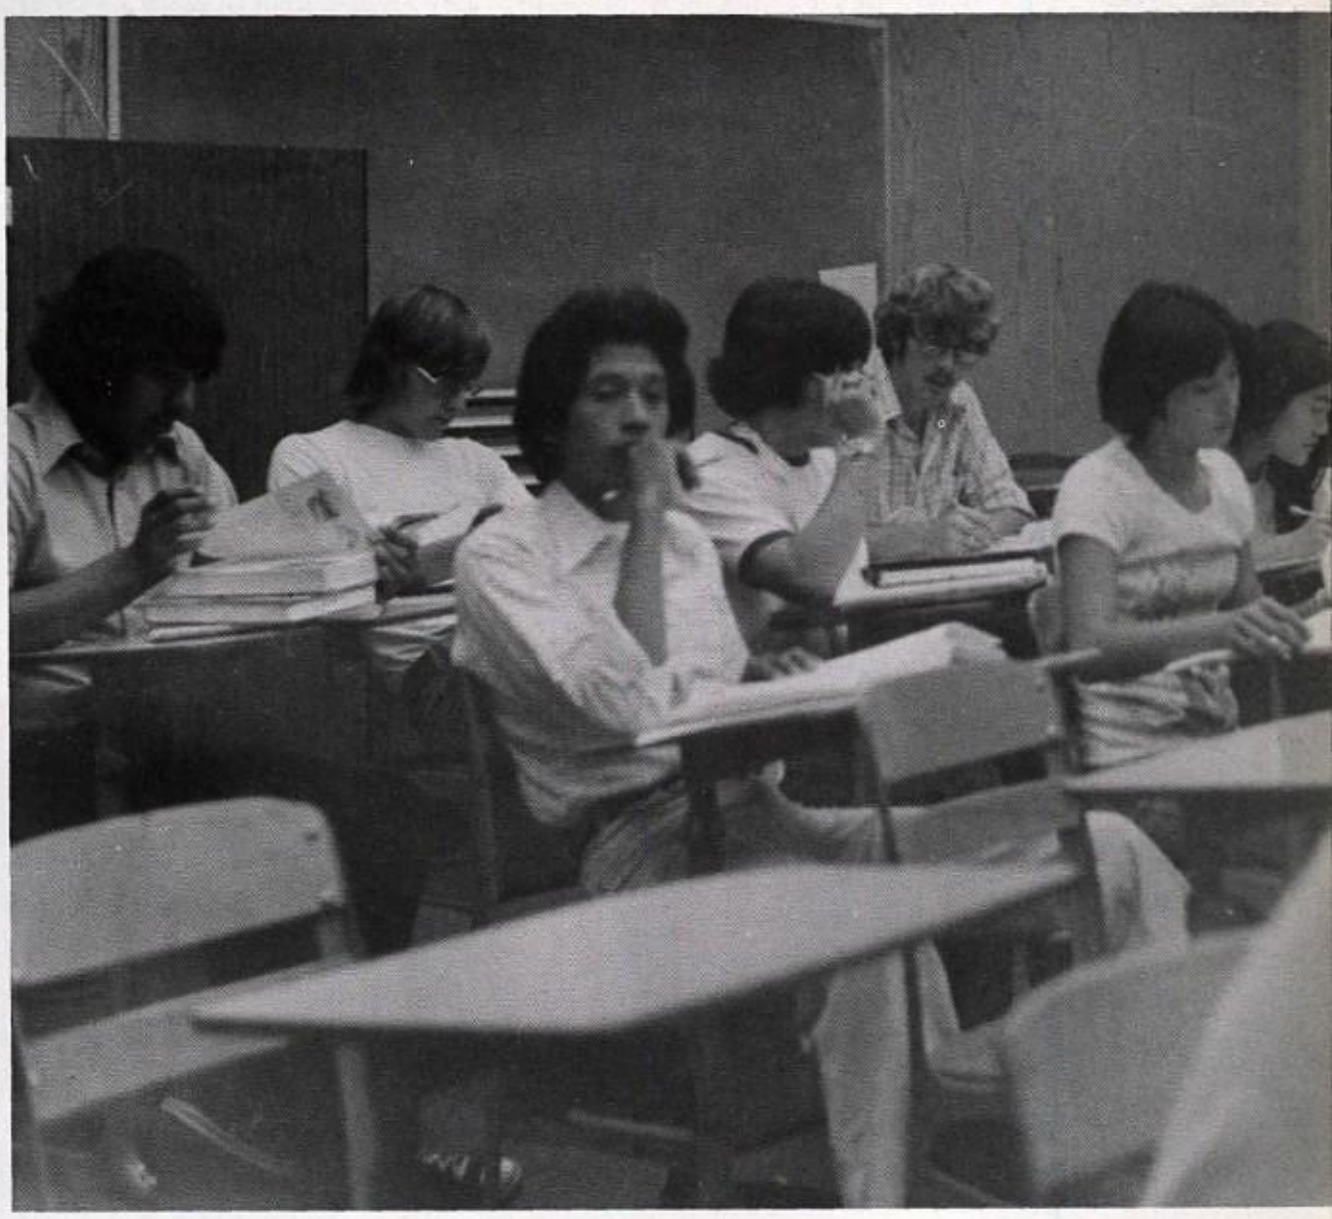
SENIORS

The Senior Class of 1977 has finally completed its four years of high school. From here, the many challenges of life begin, but many memories will also remain.

The Seniors sponsored an after game dance featuring STAR. Chocolate-covered frozen bananas have become a Senior tradition at Fiesta time, and spirited Seniors cheered as they rode down Main Street on the Senior float. The Senior Class was very vocal at all rallies.

Seniors looked forward to that special Prom night; graduation; and of course, Disneyland. Their last week of school was a busy one. Final tests had to be passed, preparations made for graduation, and the many good-byes and farewells taken. All in all, those four years will be remembered as the memorable care-free years for the Class of 1977.

MEMAKING



FOREIGN EXCHANGE

On the tennis courts or at the chess board, in the music room or the swimming pool, Jari Kokkonen accomplished at least one thing in all these places this year: he made friends.

An exchange student from Helsinki, Finland, Jari came to Reedley with the Youth for Understanding program and is staying with the Arnold Ewy family. He enjoys the sports and games mentioned above, and plays string bass and electric bass guitar. He is also interested in architecture.

Jari noted the difference between the excitement of the large city where he lives and the friendliness of a smaller town such as Reedley.

Meeting Jari was an exciting experience in understanding for everyone concerned.

Pirate Pillars

Each year the Porcupine gives special recognition to ten seniors, five girls and five boys who in the opinion of their classmates and teachers are the most representative of their class, the Pirate Pillars.

These students have achieved excellence in areas they represent. Many are active in student government, sports, music, mathematics, clubs, and activities.

Those active in student government included Patty, Ann, Becky, Connie, Kelly, and Bennett. Tom, Mike, and Mark were on the winning Pirate football team, and Mike played Varsity baseball. Patty, Becky, and Kelly have all participated in volleyball, and Tom, and Bennett were on the track team. Bennett and Ann were swimmers, Patty and Kelly were Varsity tennis players, and Tom and Mike were on basketball squads. Jeff was on the math team, and Ann and Mark received national recognition in their respective sports.

Patty, Becky, and Bennett all sang in Madrigals, and Kelly and Ann also were members of other choirs. Connie and Mike were Girl and Boy Staters, Connie was a National Merit Scholarship Commended Student, while Jeff was a semi-finalist in that competition. Mike won the DAR Good Citizen Award, and Connie was a Bank of America Plaque winner, and Porcupine editor.

These students have achieved many things in their four years at RHS and the Porcupine is happy to give them this richly deserved recognition.

SPORTS

Teams of dedicated Pirates worked long hours in preparation for comeptition, doing their best to show other schools the meaning of Pirate Power.

Team coaches were just as hard working as team members, but the efforts of all were rewarded with fine performances by all Pirate athletes.

Varsity Football

Experience was the key factor in the success of the Varsity football team. On the squad were 14 returning lettermen, many of whom were starters the previous year.

The Pirates' 7-2-1 season record (3-1-1 in league) earned them a berth in the valley play-offs as the West Yosemite League's "wild-card team." After defeating Porterville in quarter-finals competition, the Pirates lost to the powerful Foothill Trojans of Bakersfield.

Varsity Football

As with most winning football teams, defense was the backbone of our Varsity. The Pirates' defensive squad was rated as one of the finest in the valley.

Three Pirates were selected to the WYL all-league team. Bruce Brumm was selected for his outstanding defensive play, and Mark Stanley and Albert Huerta were chosen for their fine work as offensive center and guard respectively.

Led by captains Mark Stanley, John Curiel, Steve Kennedy, Eric Simmons, and Tom Flanagan, Reedley boasted fine overall performances rather than exceptional individual efforts.

J.V. Football

The 76 Buccaneers posted a fine 7-3 overall season record, and were 2-3 in league. They earned a third place spot in a tough West Yosemite Junior Varsity League after losing to Sanger in a championship deciding match.

Coaches Henvit, Mitchell, and Esposito molded their players into a hard-working, ever-improving team. The 76 Bucs should be commended for a fine season's work, and special recognition should go to team leaders Rick Fujioka, Lupe Lopez, and Chris Henvit.

With a 2-2 record, the Frosh team was led by MVP, Captain Henry Betancourt and coached by Mr. Trinidad and Mr. Eaton.

Cross Country

Under Coach Trujillo, the three cross country teams traveled to ten meets this year, and members of each team worked hard all season, running up to ten miles daily in preparation for competition.

The girls were led by captain Mary Lou Avendano and MVP Marivel Santoyo. Of the ten meets they ran in, they lost only one. This 9-1 record placed them second in their division and eleventh in the valley.

Frosh-Soph finished third in their division, with a 7-3 record. Team awards went to captain Jaime Moreno and Most Inspirational Derek Bergthold.

The Varsity team was a small group of dedicated runners, who placed fifth in a very tough league. Efren Balderas was captain and Most Valuable.

Varsity Volleyball

Tougher competition and only two returning starters became a problem for this year's Varsity volleyball team. Hoover High School's Patriots defeated the Pirates in the quarterfinals of the valley playoffs, ending Reedley's reign over the valley. However, the girls, led by coach Glenda Morgan, took the championship at the Fresno Bee Invitiational and second place at the Highland Tournament. They finished second in the WYL, with a 9-1 record. The girls completed the season with an overall record of 20-5. Special recognition went to Patty Brooks and Jeanne Tajiri who were selected for the all-WYL team.

J.V. Volleyball

Hours of practicing the serve, the set, and the spike were rewarded with a 9-5 record (5-5 in league) for the JV volleyball team, which was coached by Miss Cook and managed by Annette Janzen.

Despite a shortage of experienced players (only two girls played at the JV level last year) the young team played well and signs are good for a successful season next year.

Frosh-Soph Volleyball

Winning has become a habit that's been hard to break for the Frosh-Soph Volleyball team. Losing only two games out of their ten game season, Frosh-Soph ended up at top of their league again this year.

Coached by Mrs. Rotan, Frosh-Soph Volleyball worked hard and played well all season.

Water Polo

Coach Gross' waterpolo teams finished the 1976 season with their best records in four years of competition.

The J.V. team shared the league championship with two other WYL J.V. teams, holding a 12-3 season record, 6-2 in league.

Varsity's 7-7 overall record, (3-5 in league) earned them third place in their league, following a hard-fought, final game victory over powerful Hanford.

Varsity Basketball

With only two returning lettermen, Coach Greg Warmerdam's varsity basketball squad finished 1-9 in the W.Y.L., one of the toughest leagues in the valley. In pre-season play, the Pirates took consolation championship at the Sanger Invitational. Here Mike Vogt, for the third year in a row, made the All-Tournament Team. Overall the Pirates finished 9-17. Awards went to Mike Vogt, captain and best free throw percentage, Ray Nickel, most improved, and Randy Iwasaki, M.V.P. Named to All-league second team were Scott Loeffler and Mike Vogt, while Randy Iwasaki and Gary Tsuji received honorable mentions.

Wrestling

Under the guidance of new head coach Jim Book, the Reedley High Grapplers made a fine showing in the always tough West Yosemite League. Countless hours of practice which required great perseverance and dedication molded the 1977 wrestlers into a strong and capable unit. Outstanding wrestlers Steve Barnett, Gary Martinez, Bruce Brown, and Pablo Saenz provided the leadership and experience so necessary for a successful season.

Girls' Basketball

This was the first season for girls basketball competition as a winter sport. The Varsity, coached by Liz Kopenhaver, fielded an unexperienced, yet talented team. They finished 4-6 in league. The team was led by Captain Cheri Vogt and MVP Kathy Mytton. The Junior Varsity, under Leann Rauch, practiced many hours and played whenever an opponent was available. In league they finished 6-2. Hopes were high, as many girls on both teams would be back next year.

Varsity Baseball

In 1977, the Pirate baseball team attempted to improve upon its outstanding '76 WYL Baseball Co-championship by capturing the elusive WYL Crown. Coach Paul Mitchell provided the fundamentals and a special insight into the game which helped the Pirates to continually improve in their play throughout the year.

Returning starters Mike Vogt, Steve Rapada, Sal Gonzalez, and Ernie Bracamontes played key roles on the team because of their experience and leadership. A powerful pitching staff included veterans Steve Rapada and Mike Vogt with experienced J.V. ace Mitchell Abe.

JV Baseball

Making up for deficiencies in experience with an abundance of talent and enthusiasm, the unusually young "Bucs" worked hard to succeed in competition this year.

"Skip" Pendergast took on the coaching duties for the team, which was led by sophomores Scott McClatchey and Ron Reimer, and freshmen Brian Bertelson and Henry Betancourt.

Frosh Baseball

Two rookie coaches took charge of the freshman baseball program this year. Bob Yohn and assistant Rick Furlong helped these furutre Pirate stars develop their abilities to the fullest possible extent. Hours of constant drilling led to a more successful season in 1977 than in recent years.

Team leaders included Randy DeLeon, Randy Rafael, and Mark Luzania.

Boys' Tennis

Against tough competition, Reedley High's Boys' tennis team did well throughout the tennis season. Composed primarily of juniors and seniors, the Varsity team has the potential to win and a strong possibility to take league if they work hard and dedicate themselves. Returning seniors are; Rick Kaprielian, Danny Mitchell, Ron Boucher, Chuck Carlson, Joe Penner, and Mario Asuncion. Reedley's Junior Varsity is once again a threat in their league. Coach Jim Blied states, "A lot of hard work, concentrated team effort, and a healthy team could make Reedley a contender for the league championship in either the Varsity or Junior Varsity levels."

Girls' Tennis

For the past few years, girls tennis at Reedley High School has improved greatly. On Varsity, several girls had three years of experience at that level of competition, and the Junior Varsity girls had a lot of talent and willingness to work which provided the basis for a really fine team. Miss Cook, coach, announced at the start of the season that prospects were good for one of the best seasons ever.

Boys' Track

Sharpening their skills with a combination of intensive practice and fierce competition, Boys Track improved as individuals and as a team.

Coaches Trujillo, Boothby, and Rotella led a fine team of athletes in 1977, including veterans Steve Kennedy, Ken Tatami, Pete Balderas, Chris Henvit, plus many other veterans and first year hopefuls.

Girls' Track

With an unusually large number of girls participating this year, Girls Track began the season with high hopes of success in competition.

Coached by Pam Rotan and her assistant Joann Matsuoka, each team seemed to have great potential in at least one area. The Frosh-Soph team had strength in the sprints, while Varsity ability was concentrated in the distance runs.

ACTIVITIES

The title Activities covers a wide range of student interests. It includes musical groups, paper and yearbook staffs, groups for those with military interests such as Rifle Club and Cadets, plus Pep Squad, honor students, student council, and Forensics. Students involved in these groups worked hard all year striving to achieve the goals they had set for themselves.

Homecoming Week

The first week of November was an exciting time on the Pirate campus as everyone got involved in the spirit of Homecoming.

Various clubs and classes sponsored activities each day of the week.

Several people were walking around the campus on Monday wearing shirts that were colorful, humorous, or in some cases just plain strange. FBLA sponsored "Shirt Day" competition at lunch. Winners were Lynn Tallman, Mark Alvis and Tim Harmon.

Merry Moore made the most money for the senior class fund on Tuesday when Tom Leach auctioned the student council members.

Joey Boyd and Michelle Pegorsch were the "Movie Star" winners on Wednesday, Movie Star Day, sponsored by Thespians. Student Council slaves were paraded by their owners that day.

The Booster Clubs sponsored Superstar competition. Couples from various clubs tossed eggs, jumped rope, had a gunny sack race and played marshmallow mouth. Patty Brooks and Mark Stanley, entries from Block R, won the event.

On traditional Green and White Day, Friday, a rally was held in the stadium at lunch. Drama Club put on a skit, and the Juniors won the sign competition.

The car rally Friday night was won by Entre Nous with their Peanuts float. King and Queen were crowned at half-time and the game against Hanford ended in a tie.

Homecoming

November 5, Homecoming Night, was a time of high excitement for many reasons. There was the action filled game against Hanford which ended in a tie, and there was suspense in the air as everyone wondered who would be crowned Homecoming Queen.

Student Body President Connie Willeford presented chrysanthemums to class attendants: Freshman Migdalia Cavazos, Sophomore Rosette DeLeon, and Junior Liz Lopez. Then second senior attendant Yolanda Trujillo was presented, followed by first attendant Kendra Bradley. Last year's Queen Peggy Wyckoff then crowned the '76 Homecoming Queen Renee Reyes. Renee and King Margarito Villagomez then took a turn 'round the track to greet their loyal "subjects".

Marching and Pep Bands

Under the direction of Mr. Fritz, Marching Band started the school year before the rest of the student body with band week, the time when freshmen are initiated and upperclassmen take a refresher course in the finer points of Eight to Five marching.

The band rehearsed each Thursday evening and performed at the home football games. They also traveled to Berkeley in October and competed in show and parade competition at Selma, where once again they pleased the crowds with their much imitated dancing style.

A select group of high spirited Pirate musicians formed the Pep Band which performed at rallies and away games under the direction of Mr. Book and drum majors Doug Skogsberg and Christine Reimer.

Performing Musical Groups

After marching season a changeover took place in the Pirate Music Department. Marching director Mr. Fritz took over the orchestra, and Mr. Walter and Mr. Book auditioned each member of marching band to determine which concert-season band the students would be in.

Top wind players and percussionists joined the string players to form a fine orchestra which traveled to festivals in the spring.

More experienced musicians were placed in the Symphonic Band with Mr. Walter. Symphonic Band has the reputation as one of the finest groups in the valley.

Mr. Book's Concert Band rehearsed at Grant School each day and gained experience which will be valuable to their music study.

At the end of the 75-76 school year, tryouts were held for this year's vocal performing groups.

Concert Choir was made up of the top voice students, and the group perfomed at several concerts and festivals including the production of Menotti's AMAHL AND THE NIGHT VISITORS, at Christmas time.

Madrigals was an ensemble selected from Concert Choir that performed at luncheon clubs, festivals and concerts throughout the year. Both groups were directed by Dr. Bill Braun.

Two groups of students with an interest in singing were the Mixed and Girls choruses, both directed by Dr. Bill Braun.

Mixed Chorus was open to all male students with no audition required. Girls with experience from Girls Chorus, or who have made the audition, form the other half of the group.

Girls Chorus was the beginner's choir, where girls without musical experience could gain knowledge of the basics of vocal music.

The 1976-77 Paragon staff has been working hard in order to present the best 8 issues of the year. Under the guidance of Renee Reyes, editor, the staff has done a tremendous job, and on the Wednesdays that the paper is laid out, 1st page editor Lisa Solomon, 2nd page editor Dina Tobin, 3rd page editor Terri Bimat, 4th page editor Susan Lozano and their advisor, Mrs. Carole Baird, can be seen in E-3 until after dark.

Honor Students

Last summer three RHS students had a learning experience courtesy of the Reedley and Orange Cove branches of the American Legion, its Parlier Auxiliary, and the Reedley Study and Civic Club. Boys Staters were Mike Vogt, Reedley and Chuck Carlson, Orange Cove. Sponsored by the Parlier Auxiliary and the Study and Civic Club was Girl Stater Connie Willeford.

Recognized by the National Merit Scholarship Board for their high scores on the PSAT were Joe Givens, Mitch Abe, Gary Tsuji and Connie Willeford. Mike Vogt received the DAR Good Citizen award.

Student Council

Faced with the job of forming a line of communication between students and administration, Student Council members put their heads together and worked to keep students well-informed and well-represented.

Meeting days saw members wearing ID buttons so that other students could register suggestions or complaints to be presented to the council. A council member was also present at each meeting of the Board of Trustees and each RHS faculty meeting so that each group knew what was happening in student government.

ORGANIZATIONS

Working hard for your club and getting involved was what kept Reedley High's organizations going strong this year. Clubs worked on projects such as the Fiesta, the Homecoming Car Rally, and other fund raising activities to finance their various expeditions.

Trips to Morro Bay, San Francisco, Magic Mountain and various other places highlighted the year for the members of many clubs. After the effort put out to raise the funds, the trips were an enjoyable and welcome reward.

C.S.F.

California Scholarship Federation is made up of students who have maintained high academic achievement in their high school studies.

Students qualify for membership one semester at a time, and life memberships are awarded to those with four semesters of membership.

Selling ribbons, painting posters, and yelling their voices out at the games, Pirate Football Boosters were high on one thing this year: Spirit. It showed on campus, where ribbons were sported on shirts and sweaters; in the stands which were ablaze with slogans urging Pirates to victory; and during the game itself, when the cries of "We're number one" rang out across the field.

Football Boosters were under the direction of Mr. Yohn. this year. One of the biggest projects of the year for the club was the Homecoming Dance, which they co-sponsored with the other booster clubs.

Volleyball Boosters

Promoting spirit was no great problem for Volleyball Boosters this year. The whole campus was alive with excitement as our girls competed in their fourth year of CIF competition.

Sponsored by Miss Morgan, Volleyball Boosters sold spirit buttons and painted signs to support the team. They were busy at the games yelling their heads off in urging the team to victory.

Ski Club

Undaunted by the lack of snow, Ski Club members were forced to content themselves with memories of ski adventures past and dreams of ski adventures hopefully to come when snow appears once again at China Peak.

President Rick Kaprielian and advisor Lauré Gross stated that the purpose of the club was to give everyone the opportunity to enjoy the world of skiing, and to improve each individual's skiing skills.

According to the members there is one word to describe skiing (when there is snow to ski on) - funtastic!!!

Boosters painted spirit slogans on butcher paper and put on rallies to develop interest in the team. They also sponsored the Homecoming dance with the other booster clubs.

SOPHOMORES--CLASS OF '79

"The spirit of '79 is starting to arise." The sophomore class really made some noise this year, and plans to "revolutionize" into a terrific junior class were underway.

Class officers Melaine Gunter, Rosa Villegas, Annette McIntyre, Susie Sasaki, and Carol Vartanian led their class out of their freshman year, and they were eager to show the spirit and the 'smarts' they had cultivated during their second year at RHS.

FRESHMEN--CLASS OF '80

The Class of '80 did their best to dispel the traditional image of Freshmen. They were led in their efforts by officers Robert Huebert, Jane Nicholas, Victor Santos, Pat Martinez, and Martha Rivera.

Freshmen showed a lot of spirit at rallies and games, and they were active in many clubs on campus to ready themselves for the long climb toward their primary goal—becoming upperclassmen.

ACADEMICS

When they weren't out competing on the athletic field or meeting with activities and organizations, students were hard at work with their studies, for they realized that their primary reason for being at RHS was to learn.

Learning would not have been possible without certain people - the teachers and auxiliary staff members. Custodians kept the school running, administrators and their staff ran the business side of the school, bus drivers got the students to school, and teachers guided their pupils through the hallowed halls of learning.

A welcome greeting was extended to Librarian Mrs. Flora, just returned from Sabbatical, and to new teachers James Blied, William Braun, Paul Foster, James Gregory, Michael Newkirk, Tony Rotella, and Jim Book.

Good-byes were said to Mrs. Renoud, Mr. Schmidt and Mr. Park, who retired after many years of faithful service.

ADVERTISEMENTS

Words of gratitude are in order to the advertisers in the Porcupine, for without their assistance, the book could not have been sold at a reduced rate to the students.

On the following pages are the names of many businesses that have aided the yearbook for many years, plus many new merchants who were kind enough to contribute. Support the merchants listed; they made our book possible.
